

# IMGENET Large Scale Visual Recognition Challenge (ILSVRC) 2015

## Invitation Letter

Dear Miletos team,

On behalf of the ImageNet Large Scale Visual Recognition Challenge (ILSVRC) 2015, we would like to invite your team, **Miletos**, to the [ImageNet and MS COCO Visual Recognition Challenges Joint Workshop](#) on December 17<sup>th</sup>, 2015 in conjunction with [ICCV 2015](#) at Santiago Chile.

The purpose of the workshop is to present the methods and results of the [ImageNet Large Scale Visual Recognition Challenge \(ILSVRC\) 2015](#) and [Microsoft Common Objects in Context \(MS COCO\) 2015](#). Challenge participants with the most successful and innovative entries are invited to present.

This year we have 70 unique teams from top institutions and industry companies around the world who participate the ILSVRC 2015 challenge, which is far more than 38 teams from last year. With the growing popularity of the challenge itself, we think that it is a great platform to share your work to others and that it also provides a unique chance to learn details of technology from others. We would be honored to have your team presenting the details of your submissions, entitled with “Hierarchical GoogleNet Classification and Localization”, to others.

Please confirm that the members of the Miletos are list as follows:

\* Azmi Can Özgen

Electronics and Communication Engineering Department, Istanbul Technical University

\* Onur Kaplan

Electronics and Communication Engineering Department, Istanbul Technical University

\* Mustafa Can Uslu

Physics Engineering Department, Istanbul Technical University

\* Berkin Malkoc

Physics Engineering Department, Istanbul Technical University

\* Ahmet Levent Subasi
